

Sidley Austin to Host Key 2024 FDA Developments and Inspection Best Practice Sessions at INTERPHEX

Norwalk, CT (February 29, 2024) – Sidley Austin, a prominent law firm specializing in regulatory compliance, is set to host engaging and informative "campfire" style sessions at [INTERPHEX 2024](#). The sessions will take place in the activation area of the all-new [INTERPHEX](#) Conference Learning Lab, providing attendees with an intimate setting to delve into crucial FDA updates and insights as well as FDA inspection best practices.

Sidley Austin is a leading legal partner for pharmaceutical companies, offering expert guidance in navigating the complex landscape of healthcare regulation. Sidley provides comprehensive support across a range of regulatory concerns, including pricing, marketing practices, reimbursement strategies, and compliance program development. With deep familiarity with federal healthcare programs and continuous monitoring of industry developments, Sidley delivers timely advice to optimize business models while ensuring compliance and mitigating risks.

With an aim to shed light on the latest FDA enforcement trends and inspection do's and don'ts, these sessions will feature distinguished speakers, each bringing a wealth of experience and expertise to the discussions.

Speakers include:

[Jay Jariwala](#) – SR. DIRECTOR, REG. COMPLIANCE

Jay has over 13 years of experience in FDA as a regulator and team leader. He is a noted speaker on a broad variety of topics including facility inspections, data integrity, OOS investigations, quality culture, supply chain integrity, corrective and preventive actions, and globalization and compliance trends. He holds several medical device and drug-related teaching roles.

[Stephanie Slater](#) – SR. DIRECTOR, REG. COMPLIANCE

Stephanie has 11 years of experience in FDA as a drug investigator and specialist, 10 years in academia and the pharma industry in clinical and GLP settings.

[Daniel Robert](#) – SR. DIRECTOR, REG. COMPLIANCE

Daniel has 8 years of experience in FDA as a drug investigator and a decade experience in the biopharmaceutical/biotechnology industry focusing on quality control analysis for large molecule biotherapeutics.

Session schedule:

Tuesday, April 16

11:30am – [Key 2024 FDA Developments for Pharma and Device Manufacturers](#)

3:30pm – [FDA inspection 101 – Do's and Don'ts](#)

Wednesday, April 17

11:30am – [Key 2024 FDA Developments for Pharma and Device Manufacturers](#)

3:30pm – [FDA inspection 101 – Do's and Don'ts](#)

"These 'campfire' style session at [INTERPHEX](#) will provide attendees with a unique opportunity to engage directly with industry experts and gain insights into the latest FDA developments," said Douglas Lugo, [INTERPHEX](#) Event Director. "With our esteemed speakers, we aim to deliver an informative and interactive session that addresses pressing regulatory concerns and equips attendees with the knowledge they need to navigate the evolving regulatory landscape effectively."

To attend these sessions at [INTERPHEX](#), registrants will need to purchase the Full Conference badge which will grant them access to the reimagined Learning Lab on the Show Floor where these sessions, along with the conference program, will take place.
